Diversity Questionnaire:

The Admissions Committee attempts to select from among several hundred academically qualified students to select the best possible candidates to serve society as veterinarians. Since a heterogeneous society is served best by people who reflect its make-up, our selection process now includes a "disadvantaged" category to increase opportunity for those traditionally under-represented in the veterinary profession.

All the candidates have the opportunity to submit additional information on this questionnaire, which will identify students from disadvantaged backgrounds. Only a candidate who believes that one or more of the following factors have affected his /her academic performance should complete the questionnaire:

1. Cultural-social conditions
2. Economic hardships
3. Educational limitations
4. Personal problems
5. Other (specify)

The Admissions Committee will evaluate this information and verification of any information supplied may be requested.

1. Check any of the areas below and explain in the space provided why you believe these circumstances in your background should be considered in determining your eligibility for the disadvantaged category:

1. Cultural-social conditions Economic hardships Educational limitations Personal problems Other (specify)
